Objectives:

- **Raise awareness about saving the environment**
- **Reduce food waste**

Illegible participants?

PDO Camps & PACs in the Interior.

How to register?

- UIB5 CSRs from each cluster to fill the online form for PDO camps
- PAC representative to fill the form for PACs

Click [here](#) to access the form.

The process?

- It is simple! Participating camps to submit a monthly sheet showing their daily weight of food leftovers and people on board to UIB5 focal points.
- The project team will monitor the submissions for the months of March to November 2016 and will select two winners; 1 PDO camp & 1 PAC based on the average weight of waste reduced.
- In case of tie, extra points will be given to:
 - Awareness materials (posters, videos, leaflets, etc) used in the camp or PAC to raise awareness.
 - Creative initiatives to reduce plate leftovers.
- Winners will announced in December 2016.
